

ENTERPRISE CENTRE MANAGER QUESTIONS

1. Briefly describe your role as Enterprise Centre Manager
2. How would you describe the current economic landscape of the Dungannon/Cookstown area?
3. Your work very much involves new start-up businesses – during the time you have been involved in business start-ups how has the ‘enterprise landscape’ changed?
4. One of the current Government initiatives is the promotion of the STEM (Science, Technology, Engineering & Maths) agenda for schools, colleges and universities. Could you identify how many of the businesses currently operating in the centre come under the STEM banner?
5. In re-launching the www.employabilitylink.com website we are particularly concentrating on TWO STEM occupational sectors – Food and Engineering. Perhaps you could give us a more specific breakdown of start-ups in these two industrial sectors.
6. What more can be done to encourage young people as well as educate Parents/Carers in the benefits of starting their own business
